Subject: Welcome to ArcticCircle24

Greetings from ArcticCircle24!

The race courses for this year's ArcticCircle24 are almost ready, and hotel Jeris prepares to accommodate the competitors, supporters and volunteers. There is still room at the hotel, and also cabins are available. Make your reservations directly to hotel Jeris.

This bulletin contains some preliminary instructions and reminders. A separate race information document will be published before the race. You will receive the race material when registering on Friday 16th July from 6 am to 10 am. The rules and compulsory equipment list have been added to our web pages.

This year the race venue has one of the most spectacular landscapes in Finland. The race course of 24h non-stop categories is long and physically demanding, and 24h stage category is also more challenging than in previous years. Be prepared for long sections. Especially we urge you to be careful with compulsory equipment, we will check them along the race course. If a safety related piece of equipment is missing or is inadequate, your race will finish right there. A time penalty will not allow you to continue in that case. A normal sports underwear top will not be accepted as a fleece.

We have paddling helmets to rent. The cost is 5 euros per helmet and it will be paid with even money when registering. If you want to rent helmets, send email to us to address at ac24@arcticcircle24.com. If possible, send all your team's reservations in one email.

We require paddling helmets, because there are rapids along the paddling course. Their classifications are between 1 and 2.

All teams need to be prepared to transfer their bicycles to a transition area before the race. The area is under guard from Thursday 15th July 8 pm onwards until the moment the competitors will start their first MTB section.

Right after crossing the finish line a lunch will be served to you. In addition, the entry fee includes a banquet buffet at hotel Jeris. The menu includes two types of salads, salmon, broiler breast, rice, choron sauce and vegetables. The dessert is chocolate mousse.

If you already know you will not participate the banquet, please let us know. You can do that by replying to this email. However, we would very much like to see you at the banquet!

After the banquet and prize-giving ceremonies the especially cheerful party can be continued at hotel's pub until 1.30 am.

This email has been sent only to team captains, please forward this to you team members.

See you at Jeris! Welcome to the best ArcticCircle24 in the history!
